

Research on reforming administrative procedures for marriage registration at the People's Committee of Binh Thanh Commune - Dinh Hoa District - Thai Nguyen Province

Nguyen Thi Dieu Anh

Abstract: In the modern context, the issue of reforming administrative procedures in the field of marriage and family has become urgent. This topic aims to study and evaluate the current situation and propose improvement solutions for the marriage registration procedure at the People's Committee of Binh Thanh Commune, Dinh Hoa District - Thai Nguyen Province. Through theoretical and empirical analysis, the study offers recommendations to optimize the process, ensuring convenience, fairness, and efficiency in marriage registration. The results of the topic not only contribute to improving the quality of administrative services but also help enhance the living environment for local residents.
