

Illustrate the comic story Little Red Riding Hood.

Tran Duc Anh

Abstract: This topic aims to research and apply illustration methods in comics, focusing on the story 'Little Red Riding Hood'. The goal is to explore how to recreate images vividly and appropriately for the characteristics of each character and setting in the story. Through a combination of theoretical research and experimentation, the topic hopes to contribute to the development of illustration skills for learners and readers. This not only provides a new perspective on a classic literary work but also opens up potential applications in the fields of education and entertainment.

Keywords: Illustration, comics, backgrounds, characters, drawing techniques
