

Research and application of Perfect HRM software in human resource management at Bao Viet Ha Thanh Company, Hanoi

Nguyen Van Thu

Abstract: In the context of increasingly complex human resource management, this study aims to evaluate the effectiveness of implementing the PerfectHRM software at Bao Viet Ha Thanh organization. The topic combines theoretical research with experimentation to identify useful features and improve the current system. Expected results contribute to optimizing HR management processes, enhancing work performance, and strengthening the company's competitiveness.

Keywords: Perfect HRM, human resource management, Bao Viet Ha Thanh Company, process optimization, system improvement
